

CLOVERMEADOWS

HEALTHCARE + REHABILITATION

FAMILY NEWSLETTER, COVID-19 UPDATES, AND STATISTICS

Dear Families,

We hope you are staying well and healthy. Regular visitation hours are between 8AM and 8PM. Please be mindful that visitors are required to wear a mask and follow all infection control policies including social distancing. We thank all our residents and families for their understanding and diligence in helping us keep our residents safe, healthy and being a part of maintaining a Covid-19 free facility.

***PLEASE, IF YOU HAVE ANY SYMPTOMS, KNOWN EXPOSURE OR ARE POSITIVE FOR COVID-19 OR INFLUENZA (FLU) OR NOROVIRUS PLEASE REFRAIN FROM VISITING!**

Covid Bivalent Vaccine Booster

Please note CDC is now recommending that all residents take the new Bivalent Booster. Any residents who received their last booster more than 2 months ago are eligible for the Bivalent booster (regardless of prior boosters). If you would like to discuss this further please contact Zee Makiu, Infection Prevention Director or the Unit Manager.

Please watch this [**Video**](#) for more information

Please see the following updates and feel free to reach out to us with any questions you may have.

Follow us on [**Facebook**](#) for photos & updates!
